SAMIHA TASNIM
Full Stack Developer

samxtasnim@gmail.com | + 880 1960151600 | website | LinkedIn | GitHub

SKILLS

• LANGUAGES: **JavaScript, TypeScript, HTML5 and CSS.**
• FRONT-END SKILLS : **React, React Redux, Bootstrap 5, Firebase, GitHub and Npm packages.**
• BACK-END SKILLS: **Node.js**, **Express.js and MongoDB**.

EXPERIENCE

1. **MERN stack developer Intern at Xcitedu Software Solutions Private Limited**   From August 2021

• Worked alongside a team of 5 people to develop an admin dashboard to easily manage affiliate links and data.
• Restructured their entire infrastructure towards a more scalable and future proof solution and launched it within four days.
• Helped with recruiting back-end developers enhancing productivity.

2. **React Intern at Rexo IT**   From July 2021

• Learned essential teamwork, code of conduct and coding best practices by maintaining a developer friendly codebase which was highly appreciated.
• Contributed to their digital marketplace by proposing vital changes that make their website stand out more.

PROJECTS

1. **PhotoScape- a website offering photography services**   Aug. 2021

 Source code(client side) | Source code(server side) | Live site

• Developed a website in 3 days with a strong UI where users choose a package and book a photographer with just 1 click, write reviews and show bookings history, with enhanced UX.
• Admins can add, update, maintain, track and delete services to have more control of the website that reduces manual website management.
• Mobile responsive, reduced load time by optimizing images to a subtotal of 60KB.

3. **Ema-john - an Amazon clone**   Feb. 2021 to current

 Source code (client side) | Source code(server side) | Live site

• Cart manipulation, and item descriptions on the homepage ensures product value and client satisfaction .
• Stripe test payment integration which ensures a full e-commerce feature.
• Data updates with 80 items the database every time to get new and top products to the user.

2. **Funrise - A toy store web app with MERN stack and Crud op**   Mar. 2021 to Apr. 2021

 Source code(client side) | Source code(server side) | Live site

• Launched within 2 days with Database integration, packing a User panel where users seamlessly upload pictures of toys for sale. Admin can manage and delete listed products.
• Clean SIgnup and Login page with Google, GitHub and Email password signup process.

EDUCATION

Siddheswari Girls College - July 2020 to Current | Faizur Rahman Ideal Institute - February 2009 to February 2020
